

4. Fide Albums 1914-1997 error list (by Ilkka Blom)

This list includes cooks and no solutions in Fide Albums 1914-1997.

Also duals in helpmates and series movers are included, but not generally in normal mates, selfmates and reflexmates.

Alybase FAS revision 7 includes the complete solutions solved by **Alybadix** (available on the **Aly-CD/USB/SD 2010**).

My best thanks for *Mr. Vaclav Kotesovec*, who has helped in solving long problems!
